Release:

New online EPF Withdrawal Facility **PRESS RELEASE**

Occasion : International Labour Day celebrations of

Launch : Online Claim Submission by Member us

As part of Government's e-gov initiatives, all EPF M their UAN and seeded their KYC (Aadhaar) with EPFO will Settlement (Form19), Pension Withdrawal Benefit (Form10 (Form31) from the their UAN Interface directly. The three than 80% of EPFO's claim workload

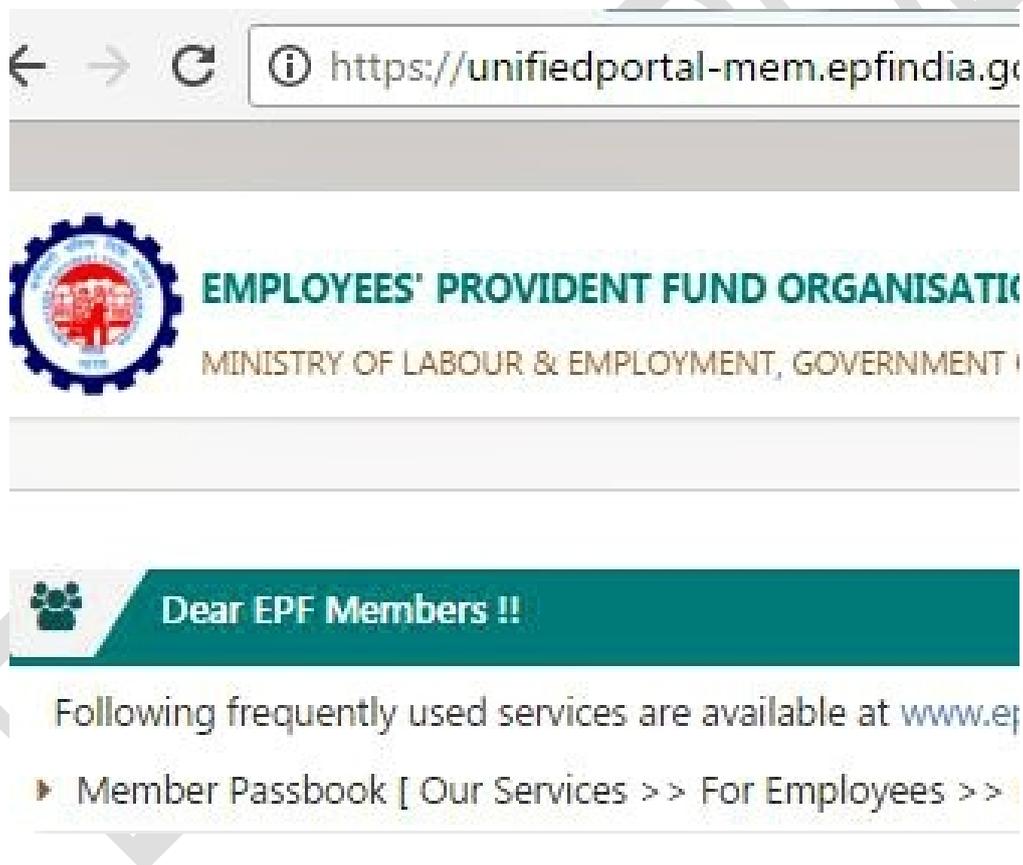

Online EPF Withdrawal: Details & Procedure

Below are the pre-requisites to submit online PF claims:

- **UAN & Mobile Number:** To avail online EPF withdrawal facility, you should have activated your UAN (*Universal Account Number*) and the mobile number which is linked to your UAN should be in working condition.
- **Aadhar :** Your Aadhar number should have been seeded in EPFO website.
- **Bank Account:** Your bank account and its applicable IFSC Code should have been seeded with your UAN.
- **PAN :** Permanent Account Number (PAN) should also be seeded in EPFO database for PF Final settlement claims in case your service is less than 5 years.

How to withdraw EPF & EPS balance online?

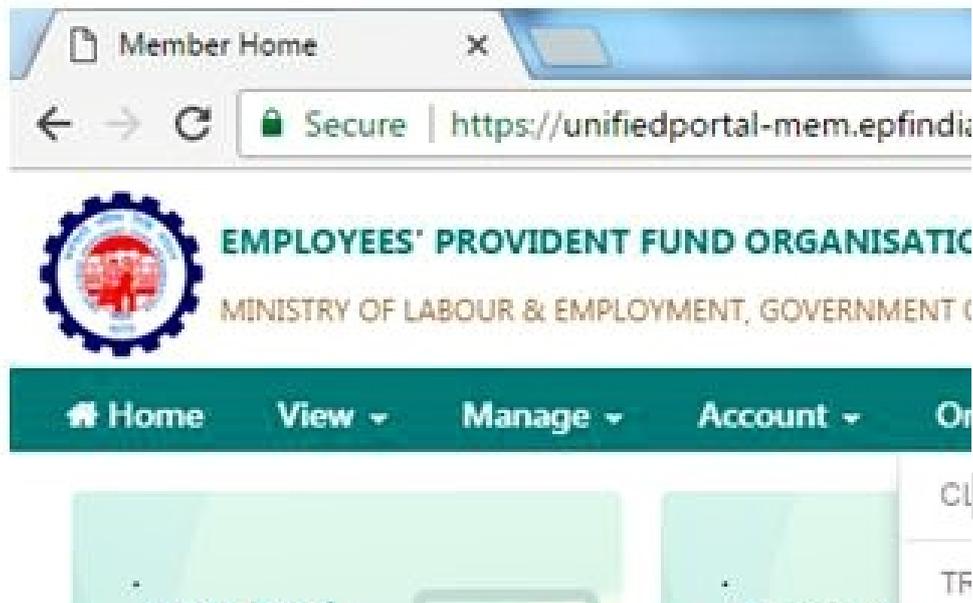

Step1: You need to login to UAN portal (*member interface*) with your credentials.

Step2: Kindly check your KYC details whether they are correct and have been verified.

Step3: You have to select relevant withdrawal claim namely; EPF full withdrawal (*and / or*) EPS withdrawal claim (*or*) EPF

advance.

Step4: You have to authenticate online PF claim using **OTP** (*One-time password*) received against the mobile registered with **UIDAI** (*Unique Identification Authority of India*) to complete the online claim submission. So, your mobile number linked to your UAN and Aadhar should be one and the same.

Step5: EPFO will get your e-KYC (Aadhaar) credentials from **UIDAI** and processes your online PF claim.

An EPF member can complete the whole process online. As per EPFO, for online withdrawal facility, there is no need to interact with your employer / EPFO staff. The claim submitted by you would flow in soft form to EPFO database where it will be processed and your bank account will be credited with the claim amount.

For online EPF partial withdrawal, you are not required to give any supporting documents. Member's applying online will be taken as his / her self-declaration for preferring the advance claim.

(Kindly note that for Online EPF transfer & EPS Withdrawals, seeding of Aadhaar number to UAN is mandatory.)
